

# MARTOS GALLERY

## ***EBSPLOITATION*** **June 21 – August 3, 2019**

For *EBSPLOITATION*, Martos Gallery has transformed into a movie theater and presents a program of short films and videos that show a different side to filmmaking. The curated program will run daily during gallery hours.

We will also host weekly screenings of longer and feature length films, every Wednesday night at 8pm.

With works by:
